### “Special Edition” The River Summer Camp ends on a High Note!

#### KTRK Channel 13 Scoops The River!

Our 2009 Fine Arts Summer Camp ended on a high note at the final recital on August 7, 2009. The last week of camp was a collaboration with HGOco, an outreach program of the Houston Grand Opera. As a part of their *Song of Houston’s Mexico 2010* program, they allowed our students to tell the story of *The Best Mariachi in the World*. With a combination of music, dance, and mime the story of Gustavo came to life on stage. The program was a fabulous display of The River students’ talent. KTRK-TV Channel 13 featured the recital in their Hometown news segment. Please take a moment to watch the piece which includes coverage of the recital, and interviews with students, parents, and staff of The River and HGOco.

Thank you HGOco for all of your hard work!
